

Safety Data Sheet

according to regulation (EU) No. 1907/2006

Printing date: 08/23/2023

Majesthetik-Texturpuder

Page 1 of 8

1. Identification of the substance/preparation and of the company/undertaking *

1.1. Information on the product

Trade name:

Majesthetik-Texturpuder

1.2. Relevant identified uses of the substance/preparation and uses that are inadvisable

Relevant identified uses:

No further relevant information available.
Denatl aid

1.3. Details about the supplier of the safety data sheet

Manufacturer/Supplier:

Company name:

picodent Dental Produktions- und Vertriebs-GmbH

Street:

Lüdenscheider Str. 24-26

City:

D-51688 Wipperfürth

Telephone:

+49 2267 6580-0

E-Mail:

picodent@picodent.de

Internet:

www.picodent.de

Department for information:

picodent Dental Produktions- und Vertriebs-GmbH
Telephone-No. +49 2267 6580-0

1.4. Emergency contact number:

Medical Emergency information in case of poisoning:

Poison Information Center Mainz

-24 h – Phone: +49 6131 19240
advisory service in German or English language

2. Hazards identification

2.1. Classification of the substance or mixture

Flam. Sol. 1; H228 / Skin Irrit. 2; H315 / Skin Sens. 1; H317 / STOT SE 3; H336 / Aquatic Chronic 2; H411

2.2. Label elements

Subject to labelling in accordance with Regulation (EC)

No 1272/2008: Yes.

Signal word:

Hazard

Hazard pictograms:

Constituent(s):

contains limonene

H statements

H228: Flammable solid.
H315: Causes skin irritation.
H317: May cause an allergic skin reaction.
H336: May cause drowsiness or dizziness.
H411: Toxic to aquatic life with long lasting effects.

Safety Data Sheet

according to regulation (EU) No. 1907/2006

Printing date: 08/23/2023

Majesthetik-Textrupuder

Page 2 of 8

P statements

P102: Keep out of reach of children.
P262: Do not get in eyes, on skin, or on clothing.
P280a: Wear protective gloves.
P301+P312: IF SWALLOWED: Call a POISON CENTRE/doctor/... if you feel unwell.

Special labelling: None.
The above labelling applies when supplied to private end users.

2.3. Other hazards This mixture does not contain any substances assessed as PBT or vPvB.

3. Composition/information on ingredients

3.1. Substances not applicable

3.2. Mixtures Chemical characterisation: Mixture

Ingredients:

Designation			H statements	
CAS No.	EC No.	REACH No.		m% rang
Naphtha 64742-48-9	(petroleum), 265-150-3	hydrotreated, heavy not available	(Carc. 1B; H350 / Muta. 1B; H340 / Asp. Tox. 1; H304) Rem. H, P; 4 Flam. Liq. 3 H226 / Asp. Tox. 1 H304 / STOT SE 3 H336 / Aquatic Chronic 3 H412	20 - 50%
(R)-p-mentha-1,8-diene 5989-27-5	227-813-5	01-2119529223-47 -xxxx	Flam. Liq. 3; H226 / Skin Irrit. 2; H315 / Skin Sens. 1; Acute 1; H400 / Aquatic Chronic 1; H317 / Aquatic H410	10 - 30%
Ethanol 64 17-5	200-578-6	01-2119457610-43- xxxx	Flam. Liq. 2; H225	5 - 25%

Wording of the H statements: see Section 16.

4. First aid measures

4.1. Description of first aid measures

Following inhalation: Bring affected person into the fresh air.
Following skin contact: Rinse immediately with plenty of water. If irritation persists, seek medical attention.
Following eye contact: In case of contact with the eyes, rinse thoroughly with plenty of water and seek medical advice.
Following ingestion: Rinse the mouth with water and drink plenty of water. Do not induce vomiting. In the event of persistent symptoms, get medical advice/attention.

4.2. Most important symptoms and effects, both acute and delayed Gastrointestinal complaints, diarrhoea

4.3. Indication of any immediate medical attention and special treatment needed None.

Safety Data Sheet

according to regulation (EU) No. 1907/2006

Printing date: 08/23/2023

5. Fire-fighting measures

5.1. Extinguishing media Suitable extinguishing media:
Extinguishing media unsuitable for safety reasons:

Foam, powder CO₂. Water

None.

5.2. Special hazards arising from the substance or mixture

In the event of fire, the following may be formed: inorganic dusts, organic decomposition products and oxides of carbon.

5.3. Advice for firefighters Special personal protection equipment:

Wear self-contained breathing apparatus. Wear a tightly fitting chemical protective suit.

Additional notes:

Product itself does not burn; adapt extinguishing measures to surrounding fire.

6. Accidental release measures

6.1. Personal precautions, protective equipment and emergency procedures

See Section 8.2.2
Special risk of slipping due to leaked/spilt product.

6.2. Environmental precautions

Do not allow to enter the sewer system, surface water or groundwater. Inform the competent authorities in the event of accidental release of larger quantities.

6.3. Methods and material for containment and cleaning up

Clean up mechanically. Dispose of the cleaned up material in accordance with regulations.

6.4. Reference to other sections

None.

7. Handling and storage

7.1. Precautions for safe handling
Notes on safe use:

Avoid contact with the eyes and skin. Remove contaminated, soaked clothing immediately. Do not eat, drink or smoke or take snuff during use. Clean skin thoroughly after work and before breaks.

Notes on fire and explosion precautions:

When heated, the product releases flammable vapours.

7.2. Conditions for safe storage, including incompatibilities

Requirements for storage rooms and containers: Provide an eyewash bottle.

Notes on combined storage:

Store away from oxidising agents and acids.

Further information on storage conditions:

Recommended storage temperature: 20°C (15 - 30°C).

7.3. Specific end use(s)

not available

Safety Data Sheet

according to regulation (EU) No. 1907/2006

Printing date: 08/23/2023

8. Exposure controls/personal protection

8.1. Control parameters Substance name

(R)-p-mentha-1,8-diene ethanol
The OELs are taken from TRGS 900

Exposure limit

OEL: 20 ppm | 110 mg/m³ / III/88

OEL: 500 ppm | 960 mg/m³

8.2. Exposure controls

Appropriate engineering controls

Individual protective measures

Respiratory protection:

Hand protection:

No special measures are required when used as intended.

No.

Rubber gloves

Observe the information provided by the glove supplier regarding permeability and breakthrough time. Also take into account the specific local conditions under which the product is used, such as the risk of cuts, abrasion and duration of contact.

Eye protection:

Tightly fitting safety goggles

Body protection:

Light protective clothing

Other:

Observe the maximum wearing time.

Environmental exposure controls:

not available

9. Physical and chemical properties

9.1. Information on basic physical and chemical properties

Form:

highly viscous

Colour:

silver, gold

Odour:

characteristic

Odour threshold:

not available

pH value, undiluted:

not applicable

pH value, 1% in water:

not available

Boiling point / boiling range (°C):

not available

Melting point/melting range (°C):

not available

Flash point (°C):

not available, closed cup

Inflammability (EC A10 / A13):

not applicable

Ignition temperature (°C):

not available

Self-ignition (EC A16):

not applicable

Oxidising properties:

None.

Explosion risk:

No.

Explosive limits (% by volume) lower:

not available, upper: not available

Vapour pressure:

not available

Vapour density (air = 1):

not available

Density (g/ml):

not available

Solubility (in water):

miscible

Soluble in:

Partition coefficient, n-octanol / water:

not available

Viscosity:

not available

Solvent content (% by weight):

Not required.

Thermal decomposition (°C):

280

Evaporation rate:

not available

9.2. Other information

not available

Safety Data Sheet

according to regulation (EU) No. 1907/2006

Printing date: 08/23/2023

Page 5 of 8

10. Stability and reactivity

10.1. Reactivity	None.
10.2. Chemical stability	Stable at ambient temperature.
10.3. Possible dangerous reactions	No known hazardous reactions.
10.4. Conditions to avoid	No known hazardous reactions.
10.5. Incompatible materials	Reactions with strong oxidising agents.
10.6. Hazardous decomposition products	None.

11. Toxicological information

11.1. Information about toxicological effects

Acute toxicity:

Inhalation:	not available
Ingestion:	not available
Skin contact:	not available
Skin corrosion/irritation:	Causes skin irritation.
Serious eye damage/irritation:	May cause eye irritation in sensitive persons.
Respiratory/skin sensitisation:	May cause allergic skin reactions.
Germ cell mutagenicity:	not available
Carcinogenicity:	not available
Reproductive toxicity:	not available
Specific target organ toxicity - single exposure:	not available
Specific target organ toxicity on repeated exposure:	not available
Aspiration hazard:	not available

Experience from practice

Observations relevant to classification:	not available
Other observations:	None.

The preparation was classified using the calculation method.

12. Ecological information

12.1. Toxicity	Toxic to aquatic life.
12.2. Persistence and degradability	The organic proportion of the product is biodegradable.
12.3. Bioaccumulation potential	May cause long-term adverse effects in waters.
12.4. Mobility in the soil	not available
12.5. Results of the PBT and vPvB assessment	This mixture does not contain any substances assessed as PBT or vPvB.

Safety Data Sheet

according to regulation (EU) No. 1907/2006

Printing date: 08/23/2023

Majesthetik-Textrupuder

Page 6 of 8

12.6. Other adverse effects

CSB value, mg/g:

not available

BSB5 value, mg/g:

not available

AOX information:

not applicable

Ecologically significant constituents:

Not required.

Other adverse effects:

None.

13. Disposal considerations

13.1. Waste treatment practices

Recommendations: D 10 / R 1

Waste code no.: 20 01 29

The waste code number should be determined together with the user, the manufacturer and the waste disposal contractor.

Additional local authority regulations must be observed.

13.2. For uncleaned packaging

Recommendation:

Rinse with a suitable cleaning agent. Otherwise, dispose of as product residues.

Dispose of packaging that cannot be cleaned in the same way as the substance.

Safe handling:

As with product residues. Apply standard precautions for handling chemicals.

14. Transport information

ADR	IMDG	IATA
14.1. UN number 1325	1325	1325
14.2. UN proper shipping name UN 1325 Flammable solid, organic, n.o.s. (hydrocarbons, ethanol)	Flammable solid, organic, n.o.s. (hydrocarbons, ethanol) MARINE POLLUTANT	Flammable solid, organic, n.o.s. (hydrocarbons, ethanol)
14.3. Transport hazard class(es) 4.1	9	4.1
 	 	 
14.4. Packaging group III	III	III
14.5. Environmental hazards:	Yes.	

Safety Data Sheet

according to regulation (EU) No. 1907/2006

Printing date: 08/23/2023

Page 7 of 8

ADR	IMDG	IATA
14.6. Special precautions for user Transport category: 3 Classification code: F1 Hazard identification number: 40 LQ: 5 kg	F-A, S-G	Packing instruction (passenger aircraft) 446 Packing instruction (cargo aircraft) 449
14.7. Transport in bulk according to Annex II of MARPOL and the IBC Code	No.	^

15. Regulatory information

15.1. Safety, health and environmental regulations/legislation specific to the substance or preparation

not available

Observe employment restrictions under the German Maternity Protection Act (MuSchG) and the German Youth Employment Protection Act (JArbSchG): No.

Observe the record-retention requirement under Section 8(6) of the German Hazardous Substances Ordinance (GefStoffV): No.

Observe the German Major Accidents Ordinance (12. BImSchV): No.

German Technical Instructions on Air Quality Control (TA Luft):

Class Item Proportion m%

not applicable

Water hazard class:

1; categorisation according to the German Administrative Regulation on Substances Hazardous to Water (VwVwS)

Storage class:

13

Observe the requirements of the German Technical Rules for Hazardous Substances (TRGS 510): No.

Observe the TRGS 300 requirements: No.

Observe the requirements of the German Detergents and Cleaning Agents Act (WRMG): Yes.

Other regulations to be observed: Subject to notification pursuant to Section 16e of the German Chemicals Act (ChemG).

15.2. Chemical Safety Assessment:

not applicable

Safety Data Sheet

according to regulation (EU) No. 1907/2006

Printing date: 08/23/2023

Majesthetik-Textrupuder

Page 8 of 8

16. Other information

H statements from Section 3

- H225: Highly flammable liquid and vapour.
- H226: Flammable liquid and vapour.
- H304: May be fatal if swallowed and enters airways.
- H315: Causes skin irritation.
- H317: May cause an allergic skin reaction.
- H336: May cause drowsiness or dizziness.
- H410: Very toxic to aquatic life with long lasting effects.
- H412: Harmful to aquatic life with long lasting effects.

This safety data sheet was prepared in accordance with EU Regulation 2015/830.

The information is based on our knowledge and experience at the date of issue and is not to be understood as a guarantee of product properties. This information must not be altered or transferred to other products.

Reproduction in unaltered form is permitted.

* Data compared to the previous version Rev.-No. 1.2 altered.
